The *Finnish Yearbook of International Law* aspires to honour and strengthen the Finnish tradition in international legal scholarship. Open to contributions from all over the world and from all persuasions, the *Finnish Yearbook* stands out as a forum for theoretically informed, high-quality publications on all aspects of public international law, including the international relations law of the European Union.

The *Finnish Yearbook* publishes in-depth articles and shorter notes, commentaries on current developments, book reviews and relevant overviews of Finland's state practice. While firmly grounded in traditional legal scholarship, it is open for new approaches to international law and for work of an interdisciplinary nature.

The *Finnish Yearbook* is published for the Finnish Society of International Law by Hart Publishing. Earlier volumes may be obtained from Martinus Nijhoff, an imprint of Brill Publishers.
